

For  
parents

a **CCOL** account  
is a digital portfolio of everything your  
child has accomplished!

Creating an account is easier than ever!

ENTER  
BASIC  
INFO!

After your child answers:

1. What do you like to do?

2. What do you want to be?

The system will generate Top Picks for him/her based on his/her answers!

A digital profile is created! Your child now has a digital portfolio of all they've done and accomplished--a great resource for writing resumes and applying for college.
