Exploring Opportunities

Go to <https://chicagocityoflearning.org/>

Go to the **Explore** page and work with your partner(s). Search around for opportunities that fit your needs, your strategies, and your children's interest. Try using specific keywords, and click the "Options" button to do an advanced search.

Use this worksheet to take notes, and use the sharing features in CCOL to send this information to yourself or share it to your social media profiles.
