Strategic Planning 2

What brokering strategies are you interested in?

I want to find a learning opportunity that . . .

matches my child's existing interest in _____.

connects their interest in _____ to learning and interests
in _____.

exposes my child to the new area of _____.

deepens their knowledge of _____, something they are already
engaged in and learning about.

When are you in need of opportunities?

(spring break, summer time, CPS days off, when my kids are bored on the weekend, after school, etc.)

Are there any challenges you have in finding quality opportunities?

(Does not match interests, transportation is too far, costs, etc.)
